Subject: By-law to Appoint Mr. William Szekely as a Building Inspector

RECOMMENDATION

That Mr. William Szekely be appointed as a Building Inspector, for the Town of LaSalle

REPORT

In order to provide required building inspection services during the busy construction season, we need to have the necessary staffing to carry out the required inspections in a timely manner. As a result of the sudden departure of one of our building inspectors, we have made arrangements to obtain the services of a retired building inspector (Mr. William Szekely) on a contract basis for several weeks in July and August of this year.

We currently have a similar arrangement with Mr. David Gibson, who has provided these services to the Town on an as needed basis for the past several years.

We are requesting that Mr. William Szekely be appointed by by-law as a building inspector for the Town, so that he can provide these required services as needed during the busy seasons of the year when additional resources are needed.

I would be pleased to answer any questions with respect to the comments and recommendations that are contained within this Staff report.

Yours truly,

Brian Geary, C.P.S.I., CBO
