

The Corporation of the Town of LaSalle

To: Mayor and Members of Council

Prepared by: Dave Sutton, Fire Chief

Department: Fire Services

Date of Report: March 11, 2021

Report Number: FIRE 21-06

Subject: Agreement Renewal – Facility Use by St. Clair College

Recommendation

That the report of the Fire Chief dated March 11, 2021 (FIRE 21-06) regarding the Facility Use Agreement with St. Clair College be approved, and that Council authorize renewal of the Facility Use Agreement.

Report

LaSalle Fire Service has long supported the Pre-Service Firefighter training program offered by St. Clair College. In order to provide a quality training program at St. Clair College according to curriculum dictated by the Office of the Fire Marshal, the college occasionally requires the cooperation of area fire departments to complete the practical training in some of the more specialized areas of study.

An agreement with the College permitting the use of LaSalle Fire Service facilities and equipment has been in place and serving the needs of the parties involved for some time.

The proposed agreement is consistent with current practice, and the terms and fees are common to agreements in place with other county municipalities.
