

# Creating an Invasive Plant Management Strategy

Join us for a FREE workshop

Invasive plants are causing significant negative impacts to Ontario's natural environment, economy, and society and municipalities are a key component in the fight against invasive plants.

Join the Ontario Invasive Plant Council (OIPC), in partnership with the Essex Region Conservation Authority, with financial support by the Invasive Species Centre, to learn how to develop an invasive plant management strategy for your municipality, or community, or to strengthen an existing one.
