Hi Roxanne,

Bandit has previously had obedience training. Bandit is always on his leash when he is not in the completely fenced in back yard and is extremely responsive to commands. I would like to invite anyone from the committee to meet Bandit to see his misdemeanor as well as his behaviour. If you require character witnesses for Bandit from neighbours, groomers, vet as well as other people that he has interacted with I will be happy to get one together for you. Please let me know if you require additional information.

Regards,  
Stefano

Hello,

I'd like to confirm if the dog has attended obedience training and what other steps have you been following to keep the dog under control?

Thanks,

*Roxanne Renaud*
