

The Corporation of the Town of LaSalle

To: Mayor and Members of Council

Prepared by: Michael Cappucci P. Eng., Manager of Engineering

Department: Public Works

Date of Report: November 30, 2022

Report Number: PW-2-2023

Subject: Martin Bergeron Drain Minor Improvement final report

Recommendation

That the report of the Manager of Engineering dated November 30, 2022 (PW-2-2023) regarding approval of the Martin Bergeron Minor Improvement Report be received;

And that, Council adopts the Martin Bergeron Minor Improvement Report, dated November 21, 2022, authored by Dillon Consulting;

And that, By-law 8756, being a by-law to provide for the minor improvement of Martin Bergeron Drain be provisionally adopted.

Report

On April 6th, 2022, the owner of the Martin Lane Development submitted a request to the Town for a minor improvement on the Martin Bergeron Drain within the confines of that property for the purpose of a subdivision development. The Town appointed Dillon Consulting to complete the work on the report. The report was submitted to the Town on November 21, 2022. The report has been reviewed and has been deemed satisfactory to both the Town and the Essex Region Conservation Authority. Administration recommends the approval of this report and adoption of the necessary provisional bylaw.
