

Request for Waiver of Fees – Skate LaSalle

Skate LaSalle would like to ask for the Town's support for the 2023 Super Series LaSalle event on Jan 27-29, 2023. In the past, the Town of LaSalle has waived the room rental fee for the multipurpose room at the Vollmer for the duration of the competition.

This event requires a considerable amount of work from our volunteer board and other community volunteers. We are all happy to do it, but we do it knowing that the profits from event will ultimately make our non-profit club and our programs better for the LaSalle community. We are also showcasing the Town of LaSalle with almost 700 skaters and their families traveling to LaSalle to compete. The rental fee for the multi purpose room is substantial and cuts into our fundraising efforts considerably. It would be greatly appreciated if the Town of LaSalle would consider supporting this initiative and provide us with an in-kind sponsorship to cover the costs of the room rental.
