COLLABORATION
FUND**

Windsor Essex
 **Community**
Foundation

The logo for Windsor Essex Community Foundation features a square icon on the left containing a stylized tree with a human figure inside its trunk, all in shades of green and blue. To the right of the icon, the text 'Windsor Essex' is in blue, 'Community' is in green, and 'Foundation' is in blue. The entire text is underlined with a thin blue line.

**BECAUSE OF
RESEARCH,
60% OF
PEOPLE
DIAGNOSED
WITH CANCER
SURVIVE 5
YEARS OR
LONGER.**

- LOCAL Cancer Research...
 - brings cutting-edge infrastructure
 - delivers the latest innovative treatments to local patients
 - elevates all healthcare providers
 - attracts and trains students
 - attracts and retains the brightest professionals

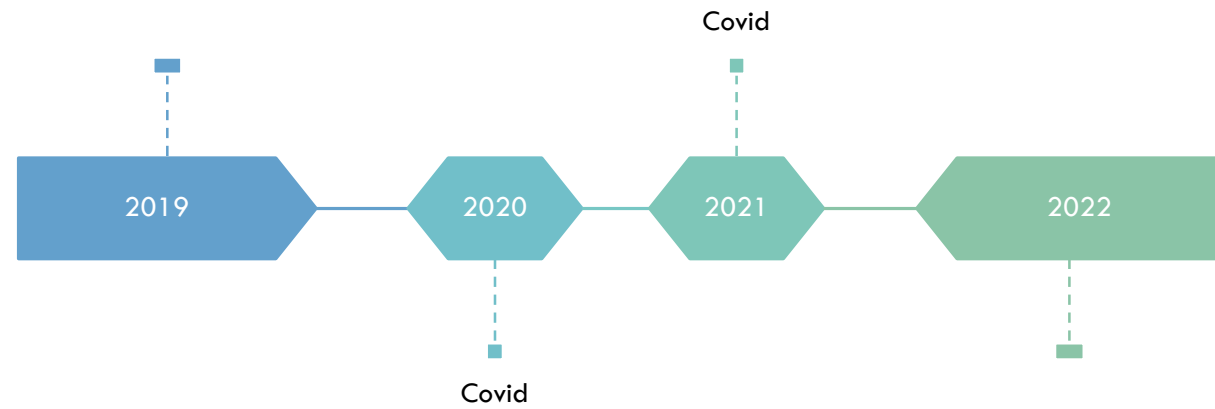

WORKING
COLLABORATIVELY
WITH CLINICIANS,
RESEARCH CAN...

- improve patient health outcomes
- allow cancer research to become more accessible to the public
- translate and connect cancer research within our community
- consolidate needs between researchers and clinicians using research funded equipment
- enable multidisciplinary teams to explore research questions more effectively
- facilitate technical skills training for students
- stimulate economic diversity and create new job opportunities

"Inspiring philanthropy
to benefit our community
today and forever."

**Thank you to the organizing team, participants and
donors for supporting Play for a Cure!**

All proceeds raised through the tournament are donated to the Cancer Research Collaboration Fund held at the WindsorEssex Community Foundation to support local collaborative cancer research initiatives in Windsor-Essex County. The WindsorEssex Community Foundation is a proud steward of the fund and delighted to assist and work alongside the Play for a Cure committee as they fulfill their philanthropic goals and touch the lives of many individuals within our community.
