

The Corporation of the Town of LaSalle

---

<b>Date</b>	June 7, 2017	<b>Report No:</b>	PW-10-17
<b>Directed To:</b>	Mayor and Members of Council	<b>Attachments:</b>	
<b>Department:</b>	Public Works	<b>Policy References:</b>	
<b>Prepared By:</b>	Mark Beggs – Manager of Roads and Parks		
<b>Subject:</b>	Fleet Purchase – Single Axle Snow Plow for the Roads Department		

**RECOMMENDATION:**

For Council to approve the purchase of a Freightliner 108SD Single Axle full size snow plow with salting unit for the Public Works Department from Team Trucks at a total cost of \$236,856 (plus taxes)

**REPORT:**

The Public Works Department requires replacement of a 2007 International Snow Plow Unit, which has reached the end of its useful life as a full time snowplow, and will be repurposed as a backup snowplow, and dump truck. Our current back up truck, a 1998 Freightliner 5 Ton Dump Truck/Plow, will be retired from the Fleet as a trade in with this new purchase.

Invitations for Request for Quotation (RFQ-2017-05) were sent out recently to area truck dealerships for the supply of full size 5-Ton Snow Plow with Viking Plow and Salting equipment. Quotations were received on June 2, 2017 from 2 suppliers and the results are as follows:

- Carrier Trucks with Viking Gear - \$ 237,640.00 (plus taxes)
- Team Centers with Viking Gear - \$ 236,856.00 (plus taxes)

The trucks supplied by Team Trucks will be 2018 Freightliner 108 SD Truck with Viking Plow Gear and Salting Equipment. The vehicles meet or exceed the current Town of LaSalle vehicle specifications.

Funding for this purchase is from the 2017 budget for a new 5-Ton Snowplow. The budget for the truck is \$214,000. The remaining \$23,000 will come from existing equipment reserves.

It is recommended that the replacement 5-ton snowplow with plow and salting gear be purchased from Team Truck at a total cost of \$236,856 plus taxes.

Respectfully submitted,

Mark Beggs  
Manager of Roads and Parks
