

20220714

To whom it may concern,

As you may have noticed a pool house has been built in the Northwest corner of my yard. Current bylaws only allow for a 4 ft clearance along the adjacent property lines. The pool house has been built with a 2 ft clearance. I am asking for your approval to maintain the 2 ft clearance by signing this document below.

Thank you

Lulgi and Jolayne Conte
