### **Report**

Administration has had the opportunity to speak with the Town's local insurance broker to review the 2024 insurance program (for the period December 31, 2023 to December 31, 2024). Attached are excerpts of the report which detail cost analysis, schedule of coverage and summary of changes to the insurance program. Council will note that the insurance premium (excluding cyber insurance) is proposed to increase from \$769,777 to \$845,077, an increase of \$75,300 or 9.78%. The cyber insurance premium is proposed to increase from \$44,450 to \$46,800, and increase of \$2,350 or 5.3%. The total annual cost of insurance will increase from \$814,227 to \$891,877, an increase of \$77,650 or 9.5%. We have conducted an informal review of insurance premiums rates and increases from area municipalities and it would appear that the increases in LaSalle are consistent with the premium increases experienced by our peer group.
