

The Corporation of the Town of LaSalle

Date: July 17, 2017 **Report No:** DS-41-17

Directed To: Mayor and Members of Council **Attachments:** Figure 1

Department: Development & Strategic Initiatives

Prepared By: Allen Burgess, RPP. MCIP
Supervisor of Planning & Development Services **Policy References:** Approved Official Plan

Subject: Application: Holding Zone Symbol Removal Application

Our File No.: Z-12-2017

Applicant & Owner: 1722912 Ontario Ltd. (Habib Homes)

Location: Approximately 900 sq. meters of land located on the south side of Ulster Street (between Front Rd. and Meloche St.)

RECOMMENDATION:

Based on the information provided within this report, it is recommended that approval be granted to this holding zone removal application upon the execution of the corresponding development agreement.

REPORT:

This report is intended to provide members of Council with comments and recommendations regarding an application that has been submitted requesting Council approval to remove the holding zone symbol from approximately 900 sq. meters of the land currently zoned Residential One Holding R1 (h)".

If approved, this holding zone removal will permit the construction of one new single detached dwelling on the subject lands. Figure 1 attached depicts the location of the land affected by this holding zone removal application.

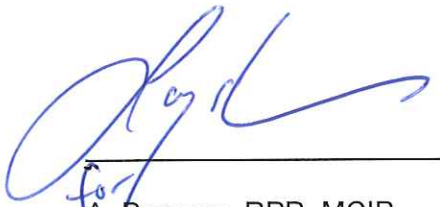

The Official Plan for the Town of LaSalle designates the land subject to this application "Residential". The proposed development is an "infill" type development and is in keeping with the lotting pattern and lot sizes that already exist on Ulster Street.

In assessing the merits of this application the following comments are offered for Council's consideration:

- i) The Applicant will be executing a development agreement that will ensure that the owner of this property complies with all municipal residential development standards and municipal servicing requirements;
- ii) The developer of the balance of Ulster Street has constructed Ulster Street to a full urban cross-section. The Applicant intends to pay the developer for the services that have already been constructed at this location. The proposed by-law to remove the Holding Zone Symbol and the Developer's Agreement will not be brought back to Council for execution purposes until such time that proof of payment is received by Town Staff for the services that were installed by the Developer;
- iii) When building on this new residential building lot, the owner will have to follow and comply with the terms of the development agreement, including the installation of driveway approaches, sidewalks, street lights, street trees, etc;

At this time, it is recommended that the by-law removing the holding symbol from the subject lands be adopted once the corresponding development agreement has been executed to the satisfaction of the Corporation.

Respectfully,

A. Burgess, RPP, MCIP
