RE: File No: Z-02/19 and T-01/19

In accordance with the Notice of Public Meeting and Planning Advisory Committee Information Meeting we received from the town of LaSalle regarding the Draft Plan of Subdivision and Zoning By-law Amendment, we are letting it be known that we wish to be notified of the decision of the Town of LaSalle Council with respect to these proposed Zoning By-law Amendments.

It is our position that we are opposed to the proposal as set forth and presented by Dillion Consulting on behalf of the developer of the subject lands, due to the direct negative impacts it will have on our property and businesses. We attended the public meeting, held in the Town of LaSalle Council Chambers at 5950 Malden Road on April 16th, 2019 and there, we outlined in detail to the Town of LaSalle Planning Advisory Committee, specifically what our concerns are regarding the proposed Zoning By-law Amendments.

Sincerely,

A handwritten signature in black ink, appearing to be "John Coulthard", written over the name and title.
